

Central Software Solutions, Inc.

Privacy Policy

Effective Date: June 1, 2026

At **Central Software Solutions**, we respect your privacy and are committed to protecting the information you share with us.

Information We Collect

We or the PRISM Software may collect the following information:

- PRISM user name and email address.
- Account information you provide when registering for our services.
- Usage data, including how you interact with the PRISM software.

How We Use Information

We use collected information to:

- Provide and improve our products and services.
- Respond to customer inquiries and support requests.
- Communicate important updates about our services.
- Maintain the security and reliability of our systems.

Information Sharing

We do not sell, rent, or trade your personal information to third parties.

We may share information with trusted service providers who assist us in operating our business, provided they agree to keep the information confidential.

We may also disclose information when required by law.

Data Security

We take reasonable measures to protect your information from unauthorized access, disclosure, or misuse. However, no method of electronic storage or transmission is completely secure.

Third-Party Services

Our software may contain links to third-party websites or services. We are not responsible for the privacy practices of those third parties.

Your Choices

You may contact us to:

- Request access to your personal information.
- Correct inaccurate information.
- Request deletion of your information, subject to applicable legal requirements.

Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date.
